coryell - golden greenhouses

14005 W. 64th
Arvada, Colorado

Fall list # 11 1957.

This list offers fresh cut leaves, for Shipment from September to November 1st, (or later depending upon the weather conditions from November 1st thru the 15th.) Orders reaching us after November 10th, will be shipped only when weather permits, and may be delayed until spring, in which case we will notify you.

We ship in rotation, as soon as possible after receipt of your order.

GUARANTEE: We guarantee our leaves to be from healthy plants, true to name, free of cyclamen mites and nematodes, or other insect pests harmful to African Violets. We do not use sodium selenate, and you may consider all plants and leaves free of Sodium selenate, unless you are notified otherwise at time of shipment. Normally our leaves will produce plantlets which will be true to the parent plant. Since two colored flowers, and other characteristics are not always propagated true we cannot guarantee the types produced by the leaves. We will consider any mistakes we make, and will strive to correct them.

We will replace any leaves damaged in shipment, provided you notify us within 10 days after receipt of leaves.

POSTAGE: Please include 50¢ to help pay packing as well as postage on all orders.

AIRMAIL: Fresh cut leaves Airmail send \$1.00 instead of the 50¢

SPECIAL DELIVERY: 50¢ additional, where desired.

UNLISTED VARIETIES: We have between 1000 and 2000 different varieties and have many which are "too few" to list. Send us your want list for quotations on fresh leaves or plants. If you will send two copies of your want list we'll answer much faster by pricing one copy and returning it immediately.

POT PLANTS: Please enclose 20¢ for each pot ordered. We'll refund the excess in stamps, or will bill you for any excess for packing and postage.

Supplies: We have a complete line of African Violet Supplies, plastic pots (or clay), markers, sprays, fertilizers. If you cannot purchase locally we can quote on these items for you.

INFORMATION: Send a 3¢ stamped envelope with questions (Self addressed, of course). We'll be glad to help you with your problems. "The Saintpaulian" is a little monthly magazine we print each month. It is devoted to African Violets, their care and culture, and describes many thousands of varieties, new and old.

\$2.50 per year, for 12 issues, or 25¢ per single copy.

TRIAL SUBSCRIPTIONS: to any new address: 5 issues for \$1.00 starting with the current issue.

Coryell-Golden Greenhouses
14005 W. 64th Ave.
Arvada, Colorado.

The only greenhouse Specializing in African Violets that is State Inspected & passed. Greenhouse grown, state inspected plants are best. Fluorescent light grown are next.

Leaves \$1.00 ea

GOLDEN GREENHOUSE INTRODUCTIONS:

The KAW VALLEY SERIES: Originated by Mrs. Charles Miller, who lives in the heart of the Kaw Valley, Kansas. Her favorites are all large Amazon types.

Kaw Valley Dogwood: Large white flowers, edged rose lavender. Huge dark green girl foliage of the Amazon type. Superior to Dupont Appleblossom.

Kaw Valley Springtime. Another large white flowered variety, with more rose-lavender in the flowers. Huge Amazon type leaves which are almost Girl type.

K.V. Kansas City Child. A seedling with medium red flowers, huge in size, above large Amazon Girl foliage. A good bloomer.

K.V. STORM GIRL. Huge medium blue flowers, darker than Blue Heiress. Good blooming Amazon plant. The Girl leaves are dark and grow large and husky.

Romayne's DuPont. A Denver sport from Lavender Pink Dupont.

A large fringed and wavy rosy-lavender bicolor with Dupont foliage. Different and more bicolor than the old Lavender Pink Dupont.

Leaves \$1.00 each.

FRILLED AND FRINGED PINKS:

(unless otherwise priced)

Ruthie (Tonkadale). New double fringed pink, with nice wavy foliage.

Itasca (Tonkadale). Frilly semi-double pink, to double. Lighter than Ruthie, and a very suitable companion plant. Wavy foliage.

KELUNA (Tonkadale). New double fringed pink, similar, but lighter than the above.

Any of the above three are excellent new varieties.

Dresden Dream (Vallin-Lakin). Dark wavy, ruffly foliage. Pretty dark pink fringed flowers. Flowers have a green frilled edge.

Princeton (Tonkadale). Lovely frilled pink single. Nice wavy foliage.

PINK CHAMPAGNE. A deep pink ruffled flower. Light green wavy foliage. (Not Fischer).

Pink Buttercup. Green ovate foliage, pink wavy and fringed flowers. A companion plant to Pink Champagne.

Pink Miracle (Vallin-Fischer). The Best Seedling Award 1956 Convention. Large pink blossoms surrounded by deep pink edge.

PINK PETTICOATS. More vigorous than Vallin Pink, not as green edged.

A deep frilled single pink. Wavy foliage.

Stephanie (Granger). Creamy pink version of pink Caress. Heavily fringed. 75¢

Vallin Pink. Frilly green edged deep single pink. Frilled, wavy foliage.

PINK CARESS. Dark wavy foliage. Medium pink frilled fringed flowers 75¢

SINGLE PINKS:

Garden pink New large dark pink single. Very dark, red-backed foliage 75¢

Pink Magic (Granger) Very deep pink on quilted; semi-spooned bronzy fol. 50¢

Pink Spoon (Vlk). Medium dark pink. Dark quilted foliage 50¢

Bon Bon Pink. (Granger). Medium pink with darker eye. Dark green foliage.

Foliage is red underneath.

50¢

Leading Lady. Single pink with girl foliage.

50¢

BAKER's Pink. Single medium to light pink. Girl foliage.

35¢

Pink Cheer, Pink Prolific, Pink Wonder, Pink Flare, Uncle Bob, Pink

Tongwensis, Shocking Pink, Georgia Peach, Atomic Pink Rose Glow. each 35¢

PLANTS

PLANTS

PLANTS

We have several thousand in all sizes, shapes and colors. The varieties on the next page are mostly from the varieties mentioned in this list, plus others we like very much. We have not described them since they are well known or are described elsewhere. Plants are limited in numbers in many varieties and sizes. PLEASE Mention a few extras in each size we may substitute. If you wish we will send extras if the postage is less than estimated.

POSTAGE: Please add 20¢ for each large plant ordered, and 10¢ for each small plant.

If you send too much money for packing and postage we will either refund in stamps, or will add extra plants to your order, whichever you prefer.

Remember that Packing and postage also includes cost of boxes, packing material and time, although we never charge the full value for time spent in packing plants.

Large plants are plants in bud or bloom, and most have bloomed for us. They will be out of 3" and 3½" pots. Small plants are well started, out of 2½" and 2¾" pots.

The only greenhouse (in Colorado) Specializing in African Violets that is state Inspected and passed. We will guarantee our plants to be free of cyclamen mites and nematodes. Coryell-Golden Greenhouses, 4 Miles West of Arvada on Hiway 72, (Ralston Road, or Coal Creek Road, or Atomic Plant Road out of Arvada.)

miniature list #11

Phone
Harrison 4-5024

List #11 cancels all previous miniature price lists. All varieties listed below are believed to be Miniature in size and growth, UNLESS Marked Semi-miniature. We maintain a separate list for the regular or standard African Violets.

Leaves are all fresh cut. The word "PLANT." after a variety indicates plants are available as priced: Plants are \$1.50 each, unless priced differently.

POSTAGE AND PACKING: Please enclose 50¢ per order for regular parcel-post, and packing. We will send leaves by Airmail when we feel distance warrants better service.

PLANTS: Enclose 20¢ per plant extra for parcel post, OR 40¢ per plant AIRMAIL.

GUARANTEE: We guarantee all leaves are chosen from insect and disease free, healthy plants, true to name and type. While most leaves will reproduce plantlets true to the parent plant, we cannot always expect all plants to be like the parent plant.

If plants or leaves are received in a damaged condition consult your Postmaster and notify us.

SEEDS from Miniature crosses: \$1.00 for 50-100 seeds per packet.

leaves, red underneath. Blue flowers.

TEARDROP. Baby blue semi-dbl. PLANTS.

MINIATURE CARE.

Miniatures take the same care as do the
larger plants, with one or two changes.
Everything you do must be scaled down to
the "size" of the miniatures.

Miniatures should be watered less, and
with more care.

Miniatures will bloom exceptionally well
with more light, rather than less light.
They will bloom better under sunlight than
under fluorescent lights, altho fluorescent
lights will produce excellent plants & bloom.

Miniature leaves are often very tiny, and
many times do not have enough petiole or
stem to stand erect. Use tooth-picks in
front and back of the tiny leaves for support.

Coryell-Golden Greenhouses publish a
regular list, as well as this miniature list.
If you order from both at the same time you
do not need to duplicate the postage and
packing fee.

The Coryell's also publish a magazine
about African Violets. This is issued each
month about the 15th. September will be
the 36th issue.

"THE SAINTPAULIAN" is named after the
African Violet, and tries to give the plain,
un-exaggerated facts about growing and buying
new Varieties, and this is carried out in
our lists, where you rarely see much poetry
when we describe the varieties.

Do you have any Miniature varieties that
we do not have listed in this and previous
lists. We would like a description of it,
for our lists and magazines.

Mrs. Coryell has many varieties not in
our lists, and likes to add new varieties.
If you have something in Miniatures or want
a variety not listed please write.

"Pixie" violets are miniature violets
under a new descriptive title "dreamed"
up by the staff of "Horticulture".

If your address appears on the back please
check for spelling, and accuracy. IF NOT
Please fill it in as an address & name.
